COMMUNITY DIRECTOR UPDATE

DECEMBER 2024

GREETINGS FROM YOUR COMMUNITY DIRECTOR - MARIA FIGUEROA

When a year comes to a close, it's a time to reflect on the possibilities ahead.

As you recall, our community was acquired by Hunt Military Communities in October of this year. This transition is set to bring positive changes in the new year, and as your new Community Director, I, along with the rest of the community team, am committed to continuing to provide excellent service and enhancing the quality of life for all Westover Family Housing residents.

In addition, we have updated our community guidelines to reflect the changes that come with this transition. To ensure you are fully informed, please take a moment to review the updated guidelines [Link to PDF](#). These updates are designed to improve our community environment and create a positive living experience for all residents.

We wish you and your loved ones a magical, joyful holiday season and thank you for making Westover Family Housing your home.

COMMUNITY REMINDERS

Winter Reminder

When snow is expected, street parking is not allowed during and immediately after a snowfall until the roads have been cleared.

Please note that no calls will be made regarding parking violations. Any vehicles in violation may be towed at the owner's expense. For your convenience, additional parking is available on the asphalt at the Stephen St playground as well as at the Community Center.

Preventative Maintenance

We will begin preventative maintenance at all Westover homes in January. The office will notify residents prior to.

Bulk Trash

Large items that do not fit in your receptacle will not be picked up with your trash. Please contact the office at (413) 331-6511 to arrange a time to take it to the dumpster. Please note large items like furniture and mattresses will need to be taken to the local landfill.

SAFETY TIPS

We love seeing your holiday lights!

Every year, holiday lights should be tested for safety prior to use. If you choose to purchase new lights this year, look for a label indicating that the lights were independently tested for safety. Whether they are new or old, inspect each set of lights for broken or cracked sockets, frayed or bare wires, or loose connections.

As a reminder: For your safety, please remember that placing lights on the second story or roof of your home is not allowed.
